

Rendering Test Document

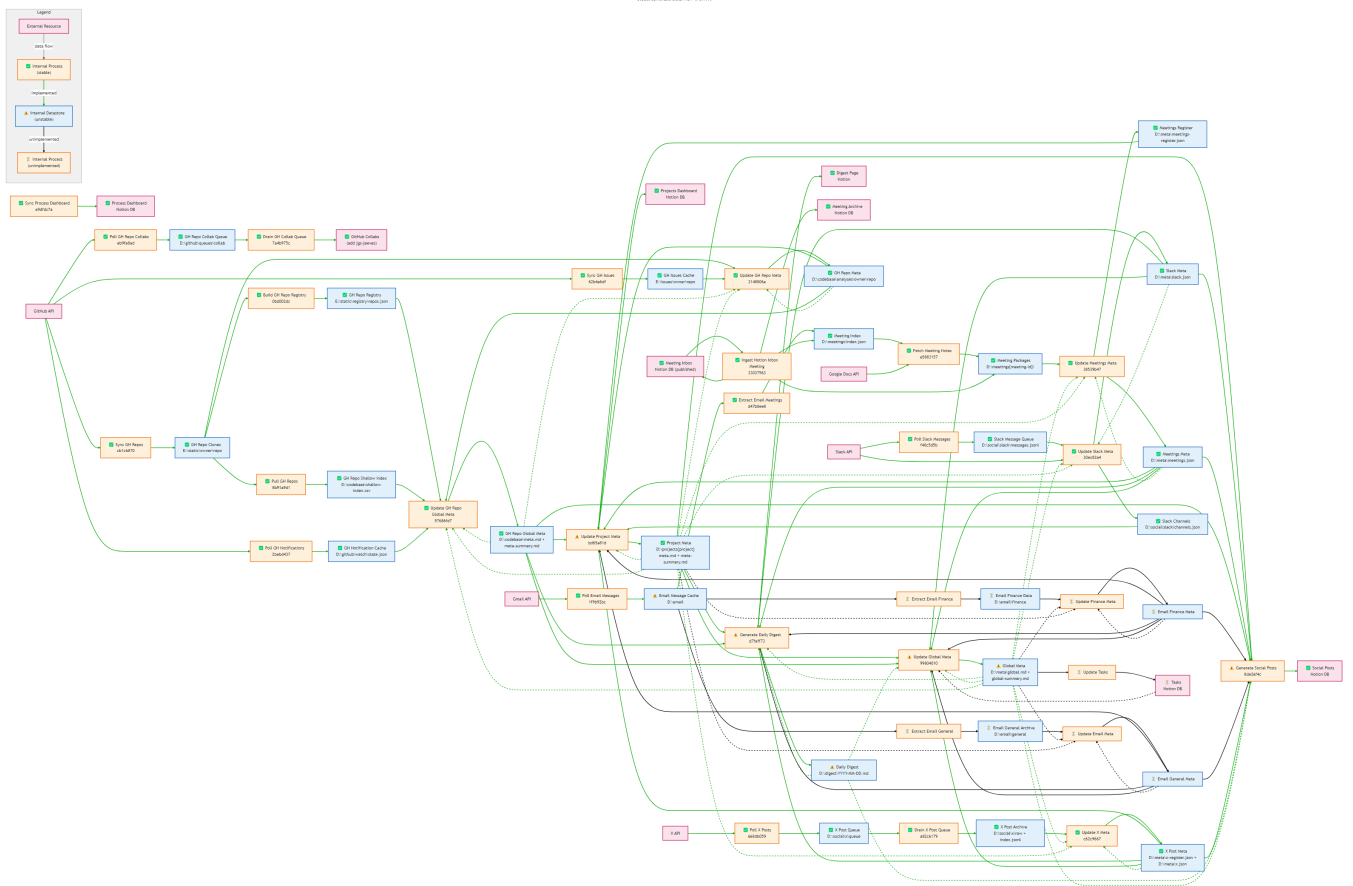

This document tests markdown rendering with images and cross-references.

Architecture Diagram

Here's the current data flow diagram (SVG version):

And for comparison, the PNG version:

Code Example

```
const express = require('express');
const app = express();

app.get('/health', (req, res) => {
  res.json({ ok: true });
});
```

Table Test

Endpoint	Method	Auth
/webhook	POST	path-key
/path/*	GET	path-key
/key	GET	X-API-Key
/health	GET	none

Test document for Jeeves Server markdown rendering
